

IN THE SUPREME COURT OF THE STATE OF FLORIDA

CASE NO. SC03-833

INQUIRY CONCERNING A JUDGE NO. 02-370  
RE: JUDGE CARVEN D. ANGEL

**STIPULATED MOTION FOR FURTHER EXTENSION  
OF TIME TO RESPOND TO DISCOVERY**

The Florida Judicial Qualifications Commission (the “JQC”), moves the Hearing Panel for a further extension of time to respond to Judge Carven D. Angel’s (“Judge Angel”) outstanding discovery until ten (10) days after the Florida Supreme Court has rejected the stipulation of the parties resolving this matter in the event the Florida Supreme Court does so, upon the following grounds.

1. This disciplinary proceeding arising from Judge Angel’s successful 2002 campaign to retain his office as a circuit court judge in Marion County, Florida.
2. The JQC and Judge Angel have negotiated a stipulation for the Florida Supreme Court’s consideration which will resolve all issues presented in this proceeding.
3. Judge Angel has executed the stipulation, but the JQC has yet to do so pending review and approval of the same by all of the relevant decision makers. Nevertheless, the JQC anticipates that a stipulation will be fully executed and submitted to the Florida Supreme Court within the next several weeks.
4. Under such circumstances, it is obviously a waste of the parties’ time and resources to conduct discovery.

5. Judge Angel has no objection to the relief sought herein.
6. Accordingly, the JQC's time to respond to Judge Angel's pending discovery in the event the parties stipulation is rejected by the Florida Supreme Court should be extended until 10 days after the Supreme Court has done so.

Respectfully submitted,

---
